

Simple Scene Assignment

ILLUSTRATOR ASSIGNMENT #1

1. Launch Illustrator

2. Choose File > New to open a new untitled document.

3. Leave the Color Mode and Artboard Size at the default settings.

This assignment will allow you to practice the following Illustrator skills:

1. Use tools and commands to create basic shapes.
2. Paint objects.
3. Use selection tools to select and change parts of objects.

Requirements:

1. The assignment is to draw a simple scene-examples (a island or house)
2. Only shapes and lines allowed. In other words, every single element on your artboard must have started out as rectangle, oval, line, arc, spiral, star, etc.
3. You can modify the shapes.
4. Minimum 10 objects.
5. Experiment and be creative.
6. **Save as = your initials_01assign.ai (ex. JB_01assign.ai)**

Due Date: *10/15/09*

Point Value: *50 points*
