

DOUBLE WATCH ASSIGNMENT

PHOTOSHOP ASSIGNMENT #2

Your assignment is to produce a “collage” printout of two watch faces that have been personalized (theme element). Place images inside the watch faces. Replace the background of the watches with a background image of your choice or create a background with a gradient.

1. Combining several images into one to create layers.
2. Selecting and deleting unwanted pixels.
3. Changing the opacity and the mode of a layer.
4. Rearranging layers.
5. Adding a gradient.
6. Using special tools such as the magic eraser.
7. Using the text tool and layer effects for you name.

Requirements:

1. 4 layers including the doublewatch scan.
2. **Save as = your initials_02assign.psd (ex. JNB_02assign.psd)**
